Fundraising Project for Lent 2019

At Diocesan Synod last year our Bishops expressed hope that all the Ministry Units of the Diocese might play a part in raising some funds for the Auckland City Mission rebuild project, Auckland City Mission HomeGround. The building project is very significant.

It includes a base for the City Mission and its services on the Mission's site in Hobson St, a Crisis Care Centre, a variety of meeting and therapy rooms, a Medical Practice, a Pharmacy, a distribution point for Food Parcels and meals, a social café, 15 bed Social Drug and Alcohol Detox Unit, 10 bed Medical Drug and Alcohol Detox, 80 studio apartments for homeless and socially disadvantaged.

Currently, the Mission has raised \$74.5 million dollars towards our current goal of \$90M. This represents significant funding obtained from government, trusts and foundations and generous individuals. There is a shortfall of \$15.5M. To meet this shortfall the Bishops are asking that all Ministry Units make Lent 2019 an opportunity for some kind of fundraising for the HomeGround Project. This will coincide with the wider Public Appeal but is an opportunity for

Anglicans to make a distinct contribution to one of our largest social service providers. In the meantime, if you would like to learn more about the project or make a donation to the appeal, please see the Auckland City Mission's webpage dedicated to the [HomeGround Project](#).
